## LEGO Experience Tour joins Prairie Air Show 2010

*Tickets Now on Sale for the July 23-25 Family Event*

PEORIA, IL (July 6, 2010) – Prairie Air Show 2010, presented by PNC, is excited to announce that the LEGO Experience Tour will be part of the ground attractions at their July 23-25 air show.

The LEGO Experience Tour is a hands-on fun display that travels the nation to showcase the best of what LEGO brand has to offer. While touring, they enjoy meeting new and existing LEGO users. The LEGO Group, maker of the popular LEGO building brick, is engaged in the development of children's creativity through playing and learning. The company is the world's fifth largest manufacturer of play materials, provides toys, experiences and teaching materials for children in more than 130 countries.

Individual tickets and ticket packages are now available for the air show. They can be purchased online at [www.prairieair.org](http://www.prairieair.org) or at all central Illinois Kroger locations. Prairie Air Show, presented by PNC, is proud to offer a family-affordable summer event featuring a variety of air acts and ground displays.

The air show will be held July 23-25 at Wayne A. Downing International Airport in Peoria and will feature the Aeroshell Aerobatic Team, U.S. Navy East Coast F-18 Super Hornet Demonstration, U.S. Air Force F-15 Strike Eagle Demonstration, Red Star and the Dragon Jet, the official U.S. Army Special Operations Command Parachute Demonstration Team – The Black Daggers, and many others.

For a complete list of performers, static displays, and other ground entertainment, visit the Prairie Air Show's website at [www.prairieair.org](http://www.prairieair.org).
